Starting on January 1, 2023, we would like to challenge the entire church to memorize 24 verses and begin to read through the Bible this year. Every three months we will update the verses and reading plan.

We have chosen these verses for the first 3 months, to help us stay connected as a church during the remodel. Our hope is that you will be encouraged as you meditate on and study God's Word. The reading plan will help you read the entire Bible in two years. We have put check boxes next to each day's reading so you can keep track of where you are, but **our hope is that you don't just check the box. Our hope is that you fall in love with God's Word as you read it, and through it's truth you gain a deeper and more intimate relationship with God.**

If you have questions, jot them down then ask a pastor or a small group leader. If you have comments or praises, share them with us as well. We hope this blesses your year!

The reading plan and memory verses are also in digital form, at [Thomasvilleroad.org](http://Thomasvilleroad.org). We will be using the English Standard Version (ESV) Bible for all print, digital media, and congregational recitation.
